Child Abuse Prevention Media Forum

Area Health Education Center of Southern Nevada (AHEC) is accepting reservations for the Child Abuse Prevention (CAP) Media Forum. The CAP Forum, which is hosted by Channel 3 anchor Kendall Tenney, and Channel 8 anchor Dave Courvoisier; will begin at 11:30a.m. Tuesday, March 20, at Texas Station Hotel and Casino.

This multi-faceted program is designed to elicit participation and educate the members of the local media regarding methamphetamine use and its direct correlation to child abuse. This interactive dialogue will discuss in length the current resources and programs in place for child abuse prevention. AHEC is seeking input and continued support from the local media to spread the important prevention message.

As Nevada's Chapter of Prevent Child Abuse America (PCA Nevada), AHEC is charged with the mission "To prevent child abuse and neglect in Nevada through early intervention, awareness, and education". PCA Nevada coordinates child abuse prevention efforts and activities, and provides legislative advocacy for child abuse prevention.

In order to include multiple perspectives regarding child abuse and prevention, AHEC will have additional public forums for the general community at a later date.

Space is limited so please act quickly to reserve your seat.

For more information on the CAP Media Forum or to reserve seating, please call Shaun Mollica at 702-318-8452 or visit www.snahec.org.
