

## **Nevada: Making Unsafe Injection Practices a “Never” Event**

### **Enduring Materials Program**

**This program is available as a PowerPoint presentation at  
<http://www.snahec.org>**

### **Various Dates and Times**

This program presented by the Nevada State Health Division has been designed for nurses, EMTs, and other health care practitioners. At the conclusion of this program, participants will be able to:

- Describe the potential consequences of unsafe practices for health care professionals and facilities;
- List safe injection techniques for health care professionals so they will recognize and practice safe injection techniques; and
- Discuss the need for the monitoring of health care personnel practices in health care facilities, relating to injection safety and basic infection control.

**Faculty:** **Mary Guinan, PhD, MD**, Acting Nevada State Health Officer, and Dean, School of Public Health, Las Vegas, Nevada

**CE Credit:** This activity has been submitted for approval to the **EMS Section of the Nevada State Health Division**, and the **Southern Nevada Health District EMS Division** to provide 1.0 hour of continuing education credit. This program has been approved by Area Health Education Center of Southern Nevada for 1.0 hour of **nursing** continuing education credit.

**Fee:** There is no charge for this program.

**Register:** No advanced registration is necessary. Please visit [www.snahec.org](http://www.snahec.org) to complete this online course.

**Questions:** Delores Stewart, Continuing Education Program Coordinator, 702-318-8452, or [phpwebclass@snahec.org](mailto:phpwebclass@snahec.org)

**This Presentation was supported by the Nevada State Health Division of the Nevada State Health Department through a grant to Area Health Education Center of Southern Nevada (AHEC); Grant Number 6U3RHS007557-01-03 from the Assistant Secretary for Preparedness and Response (ASPR). Its contents are the responsibility of the Nevada State Health Division.**
