Area Health Education Center of Southern Nevada

They Run Better Unleaded: Childhood Lead Poisoning in Southern Nevada

Enduring Materials Program
Available at: www.snahec.org

This program, presented by Area Health Education Center of Southern Nevada, is designed for physicians, nurses and other interested health care professionals. The purpose of this program is to increase knowledge and improve awareness of lead exposure and poisoning in Southern Nevada. At its conclusion, participants will be able to:

- Define lead poisoning;
- Describe the primary effects of elevated blood lead levels;
- Discuss risk factors for childhood lead poisoning;
- Identify Medicaid blood lead level screening requirements; and
- Identify provider responsibilities with regard to childhood lead poisoning.

Faculty: **William P. Berliner, MD**, Medical Director, HealthInsight (Medicare QIO), Las Vegas, Nevada
Gail Gholson, RN, BSN, Case Manager, Childhood Lead Poisoning Prevention Program, Southern Nevada Health District, Las Vegas, Nevada
